Disability

- If an individual with a disability requires a special diet, the United States Department of Agriculture requires a medical statement form completed and signed by a licensed physician: medical doctor (MD) or doctor of osteopathic medicine (DO). An updated medical statement must be provided annually or when any change is prescribed.

Non-Disabled Medical Condition

- If an individual has a medical condition requiring a special diet and is medically certified, the school food service **may** make substitutions to the regular diet on a case by case basis. A medical statement is required and must be completed by a medical doctor (MD), doctor of osteopathic medicine (DO), physician's assistant (PA), or nurse practitioner (ANP) and include substitutions to the regular menu. An updated medical statement must be provided annually or when any change is prescribed.
